**REQUEST FOR ACKNOWLEDGEMENT OF PRIORITY PAPERS AND PRIORITY CLAIM**

Sir:

No prior Office communication in this application, including the Notice of Allowability mailed July 13, 2009 (PTOL-37), has acknowledged receipt of the certified priority application and the applicant's claim for priority therefrom. In this regard, it will be noted that the certified priority application documents were filed during the international phase of PCT/NL2004/000903, filed December 23, 2004 on which the present application is based and thus such papers should already be in the file wrapper of the present application. It is therefore requested that the Examiner acknowledge receipt of the priority papers filed in this application.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
